

Bright Zinc Plated Tufnut™

Product Details

A hardened, unique shape makes this nut more resilient to attack.

This patented product requires only a standard spanner for installation. Its unique angle shape makes it extremely difficult for vandals to remove it.

- Manufactured and stocked in Zinc Plated (CR-3) Steel

Please note:

- Type 1 (square shape) M6, M8 & M10
- Type 2 (hexagon shape) M12

STØRRELSE	MATERIALE	FINISH	VARENDR.	ANTAL/BOX
M6	CASE HARDENED STEEL	ZINC PLATED (CR-3)	TFN06	100
